Ordering Information and Policies

Standard ScoreSheets are printed with the same green ink used in this catalog. We use a quality, cover-weight white paper with a coated surface suited for marker use (we are also offering several formats on uncoated cream paper). Sign-Up Sheets and Raffle Sheets are printed on the uncoated side for better pencil use. Prices for custom orders are based on one color printing. Please indicate your choice of color on the order form, or send a color sample for us to match. For most custom orders, you have your choice of white (coated or uncoated side) or uncoated cream paper.

Special crests (logos) and typefaces will be used if suitable artwork is provided. If neither are supplied, we will use a typeface we feel will work for you. A proof of the artwork will be mailed, e-mailed, or faxed to you for approval before we go to press. If an order for a *custom format* is canceled after a proof of the design has been submitted – the customer will be responsible to pay between $50 and $100.

All packages will be sent via UPS ground unless another means is specified. Shipping/handling costs will be billed at our actual shipping cost plus a minimal amount for handling. Please allow 6 to 8 weeks for delivery of custom teetime pad orders, and approx. 4 weeks for all other custom orders. Standard products are *normally* shipped within 1 to 3 working days of your order. If you have a "*must have*" date – be specific. We will do what we can to meet your deadline – but we can not accept responsibility for elements we do not control. *Same day* shipping may require an additional handling charge. We will need your complete shipping address (P.O. B*oxes are not accepted for* UPS *shipments*). Include your billing address if different than your shipping address, and include your purchase order number (*if needed*). Also, include your phone, fax and e-mail address. Your e-mail address is essential when your order is for custom products.

If you find that your order was processed incorrectly – or if you decide to make a change after receipt of it – please call us immediately so timely arrangements can be made.

Don't hesitate to inquire if you have any questions or requests regarding any of our existing products, or similar products that we may be able to create for you.
